*The Prophecy* is a fantasy tale about Lionel Balimore, a young prince, who is struggling against unconquerable enemies. Lionel's land is engulfed in chaos when an all powerful being known as Ogolion returns from his exile of thousands of years to reclaim his land and fulfill an ancient prophecy. Now, Lionel and a close group of friends must battle against this archaic menace and embark upon a quest to reclaim mystical relics left to humankind long ago by the omnipotent being Oridon.

*The Prophecy* is the first book in a trilogy, *The Oridian Trilogy*, and *The Oridian Trilogy* is the first trilogy in a series, *The Altia Histories*. This series of books will chronicle the histories of the five great nations of the continent of Zalar, Oridia, Gelcia, Mohimia, Illoria, and Ricialia.

Shane P. Simon is an 18 year old high school student from Bucks County, Pennsylvania. Bucks County is known for its literary talent, including James Michener and Oscar and Hammerstein. *The Prophecy* is his first novel. Shane's abiding love of history, fantasy, writing and adventure led to the creation of the world of Altia. Shane is currently working on the next book in the *Oridian Trilogy*, *The Quest*.

We are certain *The Prophecy* will generate a great deal of interest and, in the process, lend itself to an intriguing **feature article** or **book review**.
